

## Art of War: Black Out

### PAGE 1

Setting: Riverstone, 1903. Evening time

#1 (closeup. mouth only.)

A rebel soldier dressed in a mask walks forward in a huge city.

SOLDIER- "Today.. the city is ours.."

#2 (detail panel. medium zoomed out.)

The rebel soldier leads a rebel army marching behind him. They march forward proudly holding various blunt weapons. Officers lay on the ground startled and have given up.

SOLDIER- "Then we march the world!"

### PAGE 2

#3 (zoomed out. above view from behind the army.)

The rebel soldier leads the army through the city streets. There are also rebel soldiers traveling atop the building tops. Ahead of them in the distance, the bug government building.

NARRATOR- "The rebel army traveled with confidence.."

NARRATOR- "..Ready to start what they thought was a revolution."

### PAGE 3

#4

The confident rebel soldier steady leads his troops forward. His soldiers strike and fight city officers as they march forward.

NARRATOR- "These men were defects to society. The "Artist".

#5 (side view.)

The rebel soldier yells and raises his arm and hand while he leads them forward.

NARRATOR- "They felt undermined even with special talent that no one else had."

#6 (medium zoomed out.)

A woman with a masquerade cat mask looks down from a rooftop..

NARRATOR- "Little did they know.."

PAGE 4

#7 (side view at angle.)

The officers quick sketch across their scroll notes as they charge forward.

OFFICERS- "Charge!!"

#8 (closeup on weapons forming.)

Multiple weapons pull off their pages.

#9

The officers charge the rebel soldiers in the streets. They now hold the weapons as they charge. The rebel soldiers have weapons of their own still.

SOLDIER- "No worries.."

#10

The lead soldier grins as the soldiers are cleared out the way with one swipe across from his weapon. Ki Serum is all on his weapon.

SOLDIER- "It's a long battle boys."

#11

Suddenly the girl with the masquerade cat mask lands in the middle of the street. The lead soldier has looked over noticing.

PAGE 5

#12 (zoomed out. detail panel.)

A wave of Ki Serum has streaked up the street.

NARRATOR- "It was over in an instant."

#13 (on page.)

The masked lady looks backwards as she stands at the end of the street.

Ki Serum residuals rise off of her.

#14 (closeup.)

The masked lady has lifted her mask and steady stares backwards. She has a grin.

NARRATOR- "They referred to the rebel extinguishment as.."

NARRATOR- "Black Out."
